

Summary of Laws Governing Widths of State and County Roads

State Roads

From 1824 to 1831 all state roads are 66 feet wide.

From 1831 to present time 60 feet wide.

County Roads

From 1792 to 1804 any width necessary.

From 1804 to 1806 any width necessary not over 66 feet.

From 1806 to 1809 any width necessary not over 60 feet.

From 1809 to 1816 any width necessary not over 66 feet.

From 1816 to 1820 any width necessary not over 60 feet.

From 1820 to 1824 any width between 30 feet and 60 feet with specified width to be set forth in Commissioners order.

From 1824 to 1844 all county roads shall be 60 feet wide.

From 1844 to 1853 any width between 40 feet and 60 feet, the width to be recorded when established. The act of 1844 also permits any road previously established to be reduced to a width not less than 40 feet upon petition to the Commissioners.

From 1853 to 1915 any width between 30 feet and 60 feet to be determined by viewers.

From 1915 to the present time any width over 30 feet.

Between 1867 and 1880 the County Commissioners had the power to increase or reduce the width of any County or Township Road, provided that they were not increased or decreased more than the limits allowed by law.

G.C. 12358: Lost record of county-road prima facia 60 feet.
