## Index to Common Pleas Court Records

### Defendant Index

Indexed by  
Delaware County Genealogical Society  
P. O. Box 1126  
Delaware, OH 43015  
Copyright 2011

This index is the work of many, many volunteers, including countless hours of sorting, unfolding, stamping, trimming folders, indexing and entering data in the computer.

A special posthumous thanks has to go to Neal Perfect for his years of entering this information into the computer.

**We have had to divide the index into two (2) parts.  
Be sure to see both the defendants and plaintiffs.**

This index is for Common Pleas records from the 1820's thru the 1920's. There were no case numbers provided to cases before 1884 and some cases did not have a case number. If the case did not have a number, the Delaware County Genealogical Society assigned a number. The number consists of the first letter of the person's last name and a number. The number coincides with a location at the Genealogical Society.
